Board of Directors
Versiti, Inc.

Report on the financial statements

We have audited the accompanying consolidated financial statements of Versiti, Inc. (a non-stock, not-for-profit Wisconsin corporation) and affiliates (collectively, the “Entity”), which comprise the consolidated statements of financial position as of December 31, 2016 and 2015, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management’s responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and, for the 2016 audit, the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Entity’s preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity’s internal control. Accordingly, we express no such opinion. An audit

also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Versiti, Inc. and affiliates as of December 31, 2016 and 2015, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other matters

Supplementary information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating statement of financial position as of December 31, 2016, and consolidating statement of activities for the year ended December 31, 2016, and the schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures. These additional procedures included comparing and reconciling the information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other reporting required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report, dated April 6, 2017, on our consideration of the Entity's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Entity's internal control over financial reporting and compliance.

Versiti, Inc. and Affiliates
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
December 31, 2016 and 2015

NOTE A - ORGANIZATION

Versiti, Inc. (Versiti) (formally known as the Centers for Transfusion & Transplant Medicine, Inc.) is a Wisconsin non-stock, not-for-profit supporting organization formed in 2012. Versiti operates exclusively for charitable, scientific and educational purposes, and supports BloodCenter of Wisconsin, Inc. (BloodCenter), Aurora Area Blood Bank d/b/a Heartland Blood Centers (Heartland), Michigan Blood (Michigan), Central Indiana Regional Blood Center, Inc. (Indiana) and other non-stock, not-for-profit organizations with similar or related charitable missions.

BloodCenter is a Wisconsin non-stock, not-for-profit organization formed in 1947 exclusively for charitable, scientific and educational purposes. BloodCenter serves patients and health care providers by recruiting volunteer blood donors, and collecting, processing and distributing blood and blood components. BloodCenter also provides a specialized diagnostic laboratory and medical services; facilitates organ and tissue donation; distributes pharmaceutical products to patients with hematological disorders; and conducts research and educational programs related to transfusion and transplant medicine. Versiti is the sole member of BloodCenter.

BloodCenter Research Foundation, Inc. (Foundation) is a Wisconsin non-stock, not-for-profit supporting organization formed in 1981 exclusively for charitable, scientific and educational purposes. More specifically, the Foundation is organized and operated exclusively to perform the functions of and advance the charitable purposes of its supported affiliates, BloodCenter, Heartland, Michigan Blood, Indiana, and other similar entities engaged in transfusion or transplant medicine services or research. Foundation funds have been donated to ensure the continuing availability of monies for the purposes described above and to support, when appropriate, the operating expenses of BloodCenter's research facility. BloodCenter management administers Foundation funds according to donor intent and board designation. The Foundation is controlled by Versiti and its Affiliates through board overlap and Board representation.

Heartland is an Illinois non-stock, not-for-profit organization formed in 1943 exclusively for charitable, scientific and educational purposes. Heartland serves patients and health care providers by recruiting volunteer blood donors, and collecting, processing and distributing blood and blood components. Heartland also provides a specialized diagnostic laboratory and medical services. Versiti is the sole member of Heartland.

Michigan is organized as a not-for-profit organization under Michigan law to establish and operate blood centers for scientific and charitable purposes. Michigan recruits volunteer blood donors and blood-drive sponsors; draws, tests, processes, stores and distributes donated blood; and operates many adjunct services that support quality medical care and quality of life. Versiti is the sole member of Michigan.

Indiana was formed in 1952 (commencing consolidated blood bank operations in 1965) in order to provide a community blood bank for the procurement, processing and distribution of whole blood and components for hospitals, other medical organizations and individuals in Indiana, and any other geographical areas in which affiliated blood centers are located. Indiana also engages in other laboratory services. Effective January 1, 2015, Versiti became the sole member of Indiana.

Versiti, Inc. and Affiliates
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
December 31, 2016 and 2015

As of January 1, 2015, Indiana's condensed financial information included the following:

Total assets	\$40,933,582
Total liabilities	7,447,732
Total net assets	33,485,850

Collectively, Versiti, BloodCenter, Foundation, Heartland, Michigan and Indiana are referred to as the Organization.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES

Basis of Consolidation

The Organization's financial statements have been consolidated pursuant to accounting principles generally accepted in the United States of America (U.S. GAAP). All significant inter-entity transactions are eliminated in consolidation.

Basis of Presentation

The consolidated financial statements are presented on the accrual basis of accounting. The Organization classifies net assets and revenue based on the existence or absence of donor-imposed stipulations or time restrictions. Expenses are recorded as incurred.

Cash and Cash Equivalents

Cash equivalents consist of short-term investments with original maturities at acquisition of three months or less. The Organization has cash and cash equivalents in excess of the Federal Deposit Insurance Corporation insurance limits. Management does not believe it is exposed to any significant risk.

Restricted cash of approximately \$6,390,000 and \$6,214,000 at December 31, 2016 and 2015, respectively, is being held to be used in accordance with federal grant sub-award requirements. See note L.

Accounts Receivable

The majority of the Organization's accounts receivable are due from companies in the health care industry. Accounts receivable also consist of reimbursement from federal agencies for research activities. Credit is extended based on an evaluation of a customer's financial condition and collateral is not required. Accounts receivable are stated at amounts due from customers net of an allowance for doubtful accounts. The Organization determines its allowance by considering a number of factors, including the length of time trade accounts receivable are past due, the Organization's previous loss history, the customer's current ability to pay its obligation to the Organization, and the condition of the general economy and the industry as a whole. The Organization writes off accounts receivable when they become uncollectible. The policy for determining past-due accounts is assessed on a customer-by-customer basis.

Versiti, Inc. and Affiliates
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
December 31, 2016 and 2015

Inventories

All of the blood supplied by BloodCenter, Heartland, Michigan and Indiana is obtained from volunteer donors. BloodCenter and Indiana value blood and blood component inventories at their processing cost, which does not exceed market value. Heartland and Michigan value blood and related products at cost with full absorption of overhead.

BloodCenter also holds a supply of pharmaceutical products for sale to third parties and a supply inventory for use in its daily activities. Supplies and pharmaceutical products are valued at the lower of cost or market using the first-in, first-out method. Inventory is stated net of an allowance for excess and obsolete items of \$80,000 as of December 31, 2016 and 2015.

Investments

Investments in marketable securities with readily determinable fair values, investments in debt securities, and investments measured using net asset value (NAV) are reported at their fair values in the consolidated statements of financial position. Unrealized gains and losses are included in the change in net assets. Restricted investments of approximately \$9,718,000 and \$8,952,000 at December 31, 2016 and 2015, respectively, are being held to be used in accordance with federal grant sub-award requirements. See note L.

Property and Equipment

The Organization accounts for depreciation of its property and equipment and related additions and improvements over their estimated useful lives, which range from 2 to 30 years, on a straight-line basis. Leasehold improvements are amortized over the lesser of their useful life or the lease term.

The cost and related accumulated depreciation of property and equipment retired or otherwise disposed of are removed from the accounts, with any gain or loss included in other revenue or other expense. Maintenance and repairs are charged to expense as incurred.

Property and equipment are stated at cost and consist of the following as of December 31:

	<u>2016</u>	<u>2015</u>
Land and land improvements	\$ 7,057,086	\$ 7,057,086
Buildings and improvements	107,738,866	105,458,525
Furniture and equipment	80,241,134	80,997,958
Leasehold improvements	2,866,447	4,222,831
Construction and equipment in progress	<u>97,326</u>	<u>508,079</u>
Total property and equipment	198,000,859	198,244,479
Less accumulated depreciation	<u>(130,680,653)</u>	<u>(127,845,483)</u>
Property and equipment, net	<u>\$ 67,320,206</u>	<u>\$ 70,398,996</u>

Other Assets

Indiana and Versiti hold a voting membership in Blood Centers of America, Inc. (BCA) along with other not-for-profit corporations that are engaged in blood banking and blood services. BCA acts as a broker for its

Versiti, Inc. and Affiliates
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
December 31, 2016 and 2015

members by negotiating contracts for purchases of blood service products at the lowest price available, along with serving as a resource share agent by negotiating sales agreements between member blood banks for purchases of blood. Indiana and Versiti each made an initial contribution of \$350,000 in connection with the memberships, which were recorded at cost within the accompanying consolidated balance sheets. Versiti's contribution amounts to \$350,000 at December 31, 2016 and 2015. With Indiana becoming an affiliate of Versiti in 2015, Indiana is no longer required to maintain a separate membership with BCA. As such, beginning in February 2016, BCA began refunding Indiana's contribution, which is to be repaid in 5 installments through the year 2020. The balance of Indiana's membership amounts to \$285,680 and \$350,000 as of December 31, 2016 and 2015, respectively.

Heartland, Michigan and Indiana have invested in an inter-insurance exchange, also referred to as a reciprocal insurer. This exchange, the Community Blood Centers' Exchange Risk Retention Group (the Exchange), was formed pursuant to the Federal Liability Risk Retention Act to provide its members, non-profit community blood centers, access to general and professional liability insurance. Each member has made contributions evidencing its ownership interest in the Exchange. Annually, dividends are received from the Exchange and are included as a reduction of other expenses in the consolidated statements of activities. Additionally, annually, the Exchange allocates non-interest-bearing subscriber savings accounts. The subscriber savings accounts are automatically converted to interest-bearing notes. The notes are payable in five years from their inception and may be extended by the Exchange's board, at its sole discretion. Below is a summary of activity with the Exchange.

	2016		
	Heartland	Michigan	Indiana
Investment in Exchange	\$164,461	\$ 89,937	\$119,698
Notes receivable from Exchange	416,097	251,020	-
	2015		
	Heartland	Michigan	Indiana
Investment in Exchange	\$164,461	\$ 89,937	\$119,383
Notes receivable from Exchange	394,720	264,921	414,869

Revenue

Revenue from the sales of blood products, tissue products, medical services, pharmaceutical products and laboratory testing services is recognized when the products are shipped or upon completion of the services, with the exception of consigned products, where revenue is recorded from the sale of blood products and pharmaceutical products when transfused to the patient. Revenue from organ donation is recognized upon acceptance for transplant. Revenue from government contracts is recognized when allowable and reimbursable expenditures are incurred, and upon meeting the legal or contractual requirements of the granting agency.

Contributions

Contributions received and made, including unconditional promises to give, are recognized as revenue and expense, respectively, in the period in which the contribution is received or made, respectively. Contributions that have restrictions that are met during the same year the contributions are received are recorded as unrestricted contribution revenue. Contributions receivable are recorded at the present value of future estimated cash flows and net of an allowance for uncollectible contributions.

Versiti, Inc. and Affiliates
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
December 31, 2016 and 2015

Net contributions receivable are summarized as follows as of December 31:

	<u>2016</u>	<u>2015</u>
Total contributions receivable	\$766,969	\$626,347
Less adjustment to present value for future cash flows for contributions receivable	<u>(7,907)</u>	<u>(6,774)</u>
Present value of contributions receivable	759,062	619,573
Less allowance for doubtful contributions receivable	<u>(36,396)</u>	<u>(35,422)</u>
Net contributions receivable	<u>\$722,666</u>	<u>\$584,151</u>

Pledges expected to be received after one year are discounted at a rate commensurate with the risk involved, with rates ranging from 1.62% to 1.93% as of December 31, 2016, and 0.73% to 1.76% as of December 31, 2015.

Management determines its allowance by considering a number of factors, including the length of time contributions receivable are past due, previous loss history, the donor's current ability to pay its obligation, and the condition of the general economy and the industry as a whole. Management writes off contributions receivable when they become uncollectible. The policy for determining past-due contributions is assessed on a donor-by-donor basis.

Payments on contributions receivable are expected to be received as follows:

Years ending December 31,

2017	\$443,178
2018	214,958
2019	105,083
2020	<u>3,750</u>
	<u>\$766,969</u>

Use of Estimates in Preparation of Financial Statements

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value Measurements

Cash and cash equivalents are reflected in the consolidated financial statements at cost, which approximates fair value because of the short-term duration of these instruments. Receivables are reflected at net realizable value based on anticipated losses due to potentially uncollectible balances, which approximate fair value. Accounts payable and accrued expenses are reflected at cost, which approximates fair value because of the

Versiti, Inc. and Affiliates
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
December 31, 2016 and 2015

short-term duration of these instruments. Fixed rate debt is reflected at cost, which approximates fair value based on current market rates.

Advertising Costs

The Organization expenses advertising costs as incurred. Advertising costs for the years ended December 31, 2016 and 2015, were \$775,982 and \$1,208,270, respectively.

Income Taxes

Versiti, BloodCenter, Heartland, Michigan, Indiana and the Foundation have all received tax determination letters confirming that the organizations qualify as tax-exempt organizations under section 501(c)(3) of the Internal Revenue Code (IRC).

The Organization follows guidance that clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. This guidance provides that the tax effects from an uncertain tax position can only be recognized in the financial statements if the position is more likely than not to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged.

Versiti, BloodCenter, Heartland, Michigan, Indiana and the Foundation are exempt from federal income tax under IRC section 501(c)(3), though they are subject to tax on income unrelated to their exempt purposes, unless that income is otherwise excluded by the IRC. The Organization has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; to determine its filing and tax obligations in jurisdictions for which it has nexus; and to identify and evaluate other matters that may be considered tax positions. BloodCenter and the Foundation have filed federal and state of Wisconsin income tax returns to report unrelated business income through 2009 and are no longer subject to tax authority examinations for years prior to 2010 under the federal and state statute. Management has determined that there is no unrelated business income to report for BloodCenter or the Foundation for 2010 through 2016, and income tax returns are not required to be filed. Therefore, as the statute of limitations will remain open for returns not filed, tax years 2010 through 2016, will remain open to audit for both federal and state purposes. Michigan has not historically filed any unrelated business income tax returns; therefore, tax years remain open for years in which an income tax return has not been filed. In years prior to 2014, Heartland filed both federal and state of Illinois income tax returns to report a zero amount of unrelated business income. Management has determined that there is no unrelated business income to report for Heartland for tax years 2014 through 2016, and income tax returns are not required to be filed. Therefore, as the statute of limitations will remain open for returns not filed, tax years 2014 through 2016, will remain open to audit for both federal and state purposes. In years prior to 2014, Indiana filed federal unrelated business income tax returns to report a zero amount of unrelated business income. In 2014 and 2015, Indiana filed federal and Indiana returns to report an unrelated business loss. As the statute of limitations will remain open for returns not filed, tax year 2016 will remain open to audit for both federal and state purposes. Versiti has not filed any unrelated business income tax returns; therefore, the years since 2012, the year of inception, are still open to examination. The Organization has determined that there are no material uncertain tax positions that require recognition or disclosure in the consolidated financial statements.

The Organization recognizes, if necessary, interest and penalties related to unrecognized tax benefits in the provision for income taxes. There were no interest or penalties related to income taxes that have been accrued or recognized as of and for the years ended December 31, 2016 and 2015.

Versiti, Inc. and Affiliates
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
December 31, 2016 and 2015

Other Presentation Matters

The Organization presents its functional expenses in note H to reflect operations by defined service lines. Blood Services is responsible for recruiting, collecting, processing and distributing blood and blood products. Medical Services provides a vast array of transfusion and blood disease-related medical services for local hospitals. Pharmacy includes the distribution of purchased pharmaceutical products related to blood disorders to hospitals, physicians and in-home care patients. Diagnostic Laboratories is responsible for developing and performing a variety of laboratory testing on patient samples. Blood Research Institute undertakes research in the area of transfusion and transplant medicine. Organ and Tissue Donation is responsible for procuring and distributing organ and tissue donations. Corporate Services includes the general and administrative functions of the Organization. Development includes the fundraising activities of the Organization.

Reclassifications

Certain amounts in the 2015 consolidated financial statements have been reclassified to conform to the 2016 consolidated financial statement presentation, with no impact to the Organization's previously reported change in net assets.

New Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2014-09, *Revenue from Contracts with Customers*, as a new topic, Accounting Standards Codification (ASC) Topic 606. The objective of ASU No. 2014-09 is to establish a single comprehensive model for entities to use in accounting for revenue arising from contracts with customers and will supersede most of the existing revenue recognition guidance, including industry-specific guidance. The core principle is that a company should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services. In applying the new standard, companies will perform a five-step analysis of transactions to determine when and how revenue is recognized. ASU No. 2014-09 applies to all contracts with customers, except those that are within the scope of other topics in the FASB ASC. ASU No. 2014-09 is effective for annual reporting periods beginning after December 15, 2017, and shall be applied using either a full retrospective or modified retrospective approach. The Organization is currently evaluating the impact the new guidance may have on the consolidated financial statements.

In May 2015, the FASB issued ASU No. 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*, which exempts investments measured using the NAV practical expedient in ASC 820, *Fair Value Measurement*, from categorization within the fair value hierarchy. The guidance requires retrospective application and is effective for the Organization in fiscal year 2017. Early adoption is permitted. The Organization has early adopted this new pronouncement in the current year and accordingly, the amendment was retrospectively applied within the accompanying consolidated financial statements.

In July 2015, the FASB issued ASU No. 2015-11, *Simplifying the Measurement of Inventory*. The guidance provides that an entity should measure inventory within the scope of the update at the lower of cost or net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less reasonably predictable costs of completion, disposal and transportation. The guidance is effective for fiscal years beginning after December 15, 2016, and interim periods within fiscal years beginning after December 15, 2017. The guidance should be applied prospectively with earlier application permitted as of the beginning of an interim or annual reporting period. The adoption of ASU No. 2015-11 is not expected to have a material impact on the Organization's consolidated financial statements.

Versiti, Inc. and Affiliates
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
December 31, 2016 and 2015

In March 2016, the FASB issued ASU No. 2016-02, *Leases*, as a new topic, ASC 842. The objective of ASU No. 2016-02 is to increase transparency and comparability among organizations by reorganizing lease assets and lease liabilities on the statement of financial position and disclosing key information about leasing arrangements. ASU No. 2016-02 is effective for annual reporting periods beginning after December 15, 2018, and shall be applied using either a full retrospective or modified retrospective approach. Early adoption is permitted. The Organization is currently evaluating the impact that ASU No. 2016-02 may have on the consolidated financial statements.

In August 2016, the FASB issued ASU No. 2016-14, *Presentation of Financial Statements of Not-For-Profit Entities*, which is intended to improve how a not-for-profit entity classifies its net assets, as well as the information it presents in its financial statements about liquidity and availability of resources, expenses and investment return, and cash flows. This ASU is effective for annual reporting periods beginning after December 15, 2017, and shall be applied retrospectively. Early adoption is permitted. The Organization is currently evaluating the impact on the results of operations, financial condition and cash flows, and has not determined the impact on its consolidated financial statements at this time.

NOTE C - INVESTMENTS

The Organization's investment portfolio consists of the following as of December 31:

	2016		2015	
	Carrying value	Cost	Carrying value	Cost
U.S. Treasuries and agencies	\$ -	\$ -	\$ 15,828,780	\$ 15,780,626
Municipal bonds	-	-	378,701	378,048
Money market funds	3,313,459	3,313,459	3,625,755	3,625,755
Commercial paper	378,796	378,796	356,031	356,031
Certificates of deposit	3,499,894	3,500,000	3,644,690	3,650,000
Fixed income mutual funds	73,693,668	73,232,777	57,581,059	60,457,268
Common stock mutual funds	67,287,855	64,589,923	66,796,928	64,211,795
Common stock	4,982,070	4,935,152	11,479,477	8,526,644
Alternative investments	19,669,510	19,550,000	-	-
Mixed asset mutual funds	<u>2,404,196</u>	<u>2,257,048</u>	<u>1,579,232</u>	<u>1,579,232</u>
Total investments	<u>\$175,229,448</u>	<u>\$171,757,155</u>	<u>\$161,270,653</u>	<u>\$158,565,399</u>

The Organization's investments are exposed to various risks, such as interest rates, market and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the values of investments, it is at least reasonably possible that changes in risk in the near term would materially affect the Organization's investment holdings.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
December 31, 2016 and 2015

NOTE D - DISCLOSURES ABOUT FAIR VALUES OF FINANCIAL INSTRUMENTS

Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The standard describes a fair value hierarchy based on three levels of inputs, of which the first two are considered observable and the last unobservable, that may be used to measure fair value, which are the following:

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following methods and assumptions were used to estimate the fair value of each classification of financial instruments for which it was practicable to do so. There have been no changes to the methodologies used at December 31, 2016 or 2015.

U.S. Treasuries and agencies and municipal bonds - Pricing models or matrix pricing is used to determine fair value of these securities.

Common stock and mutual funds - Quoted market prices are used to determine the fair value of these securities.

The following table summarizes assets by fair value measurement level as of December 31. The Organization measures certain investments using NAV which is exempted from categorization within the fair value hierarchy and related disclosures. However, the Organization separately discloses the information required for assets measured using NAV in the following tables:

	2016			
	Level 1	Level 2	Level 3	Total
Fixed income mutual funds	\$ 73,693,668	\$ -	\$ -	\$ 73,693,668

Common stock	<u>11,479,477</u>	-	-	<u>11,479,477</u>
	<u>\$137,436,696</u>	<u>\$16,207,481</u>	<u>\$ -</u>	<u>\$153,644,177</u>

The following table provides additional information related to investments recorded at NAV as of December 31, 2016:

	Fair Value	Redemption frequency	Redemption notice period
Defensive equity fund			
Parametric Defensive Equity Fund, LLC ^(a)	\$ 3,883,209	Monthly	5 days
Hedge fund			
Corbin Opportunity Fund, LTD ^(b)	3,850,000	Quarterly	70 days
Equity fund			
Copper Rock International Small Cap Fund, LLC ^(c)	4,165,679	Daily	10 days
Private real estate fund			
Clarion Lion Properties Fund, LP ^(d)	<u>7,770,622</u>	Quarterly	90 days
Total	<u>\$19,669,510</u>		

- (a) The fund attempts to generate similar returns to the S&P 500 over a full market cycle with lower risk. The fund consists of 50% S&P 500 and 50% treasury bills. Additionally, the fund sells fully collateralized call and put options on the S&P 500 to generate ongoing income.
- (b) This investment seeks to achieve a substantial return on capital through opportunistic investments primarily in a broad range of public and private credit instruments with an expected emphasis on corporate credit securities, asset-backed securities, mortgage-backed securities, commercial real estate, structured credit and collateralized loan obligations. The fund may employ a variety of investment strategies such as high-yield and distressed securities, long/short credit, structured and asset-backed credit, private lending, event driven investing and emerging markets credit.
- (c) The fund invests in international small-cap equity securities which trade on public exchanges.
- (d) The investment seeks to identify, acquire and manage a diversified portfolio of primarily institutional quality real estate assets and real estate related investments within the United States, and to select investments across property types, geographic and economic regions, and metropolitan markets to attempt to achieve favorable risk-adjusted investment returns.

There were no unfunded commitments that existed at December 31, 2016 for any of the investments recorded at NAV.

NOTE E - RETIREMENT PLANS

Pension Plan

BloodCenter sponsors a non-contributory defined benefit pension plan (Pension Plan) that covers substantially all full-time employees of BloodCenter who began employment prior to January 1, 2007. Contributions to the Pension Plan are based on actuarially determined amounts sufficient to meet the benefits to be paid to plan participants.

Effective January 1, 2007, no new participants are allowed to enter the Pension Plan. Existing participants continued to earn benefits until December 31, 2009, at which time all active employee participants transitioned to the defined contribution plan introduced on January 1, 2007. From January 2010 through 2014, all continuing participants of the Pension Plan also received a supplemental contribution as approved by the board of directors.

BloodCenter follows the recognition and disclosure provisions related to defined benefit pension and other post-retirement plans. Included in unrestricted net assets are the following amounts that have not yet been recognized in net periodic pension cost at December 31:

	<u>2016</u>	<u>2015</u>
Net unrecognized actuarial loss	\$20,349,409	\$19,789,220

Included in unrestricted net assets is the following amount expected to be recognized in net periodic pension cost during the year ending December 31, 2017:

Actuarial loss	\$458,824
----------------	-----------

Other changes in the Pension Plan assets and benefit obligations recognized in unrestricted assets during the years ended December 31, 2016 and 2015, include the following:

	<u>2016</u>	<u>2015</u>
Current-year actuarial loss	\$ 970,643	\$2,049,046
Amortization of actuarial gain	<u>(410,454)</u>	<u>(439,334)</u>
	<u>\$ 560,189</u>	<u>\$1,609,712</u>

Versiti, Inc. and Affiliates
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
December 31, 2016 and 2015

The following table sets forth the benefit obligations and the assets of the Pension Plan at December 31:

	<u>2016</u>	<u>2015</u>
Change in benefit obligation		
Benefit obligation at beginning of year	\$ 42,635,925	\$ 43,990,424
Interest cost	1,887,541	1,842,757
Actuarial loss (gain)	805,331	(2,014,217)
Gross benefits paid	<u>(1,301,272)</u>	<u>(1,183,039)</u>
Benefit obligation at end of year	44,027,525	42,635,925
Change in plan assets		
Fair value of assets at beginning of year	30,002,718	31,855,591
Actual return on plan assets	2,053,372	(1,869,834)
BloodCenter contributions	1,200,000	1,200,000
Gross benefits paid	<u>(1,301,272)</u>	<u>(1,183,039)</u>
Fair value of assets at end of year	<u>31,954,818</u>	<u>30,002,718</u>
Funded status	<u>\$ (12,072,707)</u>	<u>\$ (12,633,207)</u>

The unfunded status of the Pension Plan is recognized in the accompanying consolidated statements of financial position as other long-term liabilities. No plan assets are expected to be returned to BloodCenter during the fiscal year ending December 31, 2017.

Net pension cost (credit) includes the following components at December 31:

	<u>2016</u>	<u>2015</u>
Interest cost	\$ 1,887,541	\$ 1,842,757
Expected return on assets	(2,218,684)	(2,193,429)
Amortization of actuarial gain	<u>410,454</u>	<u>439,334</u>
Net periodic pension cost	<u>\$ 79,311</u>	<u>\$ 88,662</u>

The weighted-average actuarial assumptions used in determining the projected benefit obligation and net periodic pension cost for the Pension Plan as of December 31, 2016 and 2015, include the following:

	<u>2016</u>	<u>2015</u>
Discount rates		
Projected benefit obligation	4.25%	4.50%
Net periodic pension cost	4.50	4.25
Expected long-term rate of return on plan assets		
Projected benefit obligation	5.75	6.75
Net periodic pension cost	6.75	7.00

BloodCenter considers various factors in estimating the expected long-term rate of return on Pension Plan assets of the Pension Plan. The factors considered include the historical long-term returns on Pension Plan assets, the current and expected allocation of Pension Plan assets, input from actuaries and investment

Versiti, Inc. and Affiliates
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
December 31, 2016 and 2015

consultants and long-term inflation assumptions. The expected allocation of Pension Plan assets is based on a diversified portfolio consisting of domestic and international equity investments and fixed income investments.

BloodCenter's investment policy for the Pension Plan is to balance risk and return using a diversified portfolio consisting primarily of high-quality equity and fixed income investments. To accomplish this goal, the Pension Plan assets are actively managed by outside investment managers, with the objective of optimizing long-term return while maintaining a high standard of portfolio quality and proper diversification. Management monitors the maturities of fixed income investments so that there is sufficient liquidity to meet current benefit payment obligations. BloodCenter's Investment and Finance Committee has delegated oversight of the Pension Plan investments and the performance of the investment managers to a management Retirement Benefit Plans Committee.

The target allocation amongst equities, fixed income and other assets is determined according to the BloodCenter investment policy. The Pension Plan fair value asset allocations by asset category are as follows at December 31:

	<u>2016</u>	<u>2015</u>
Equity securities	43%	48%
U.S. government treasuries	-	11
Debt securities	51	38
Real estate	6	-
Cash and cash equivalents	<u>-</u>	<u>3</u>
Total	<u>100%</u>	<u>100%</u>

In 2016, the Pension Plan's assets consisted of \$31,925,471 of pooled separate account investments which are measured using NAV, which are exempted from categorization within the fair value hierarchy and related disclosures. The Organization separately discloses the information required for assets measured using NAV below. The following table presents information about the Pension Plan's assets measured at fair value on a recurring basis and indicates the fair value hierarchy of the valuation techniques utilized by BloodCenter to determine such fair value as of December 31:

	2015			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Fixed income mutual funds	\$11,391,003	\$ -	\$ -	\$11,391,003
Common stock mutual funds	14,341,404	-	-	14,341,404
U.S. government treasuries	<u>-</u>	<u>3,209,286</u>	<u>-</u>	<u>3,209,286</u>
	<u>\$25,732,407</u>	<u>\$3,209,286</u>	<u>\$ -</u>	<u>\$28,941,693</u>

Total	<u>\$31,925,471</u>		

- (a) The investment attempts to mirror the investment performance of the S&P 500 Index by allocating assets in approximately the same weightings as the index.
- (b) The investment attempts to mirror the investment performance of the S&P 400 Index by allocating assets in approximately the same weightings as the index.
- (c) The investment attempts to mirror the investment performance of the S&P 600 Index by allocating assets in approximately the same weightings as the index.
- (d) The fund invests in securities of companies with their principal place of business or principal office in emerging market countries, companies for which the principal securities trade in an emerging market, or companies, regardless of where their securities are traded, that derive 50% of their total revenue from either goods or services produced in emerging market countries.
- (e) The investment seeks long-term growth of capital. Under normal circumstances, the fund invests at least 80% of its net assets, plus any borrowings for investment purposes in equity securities of foreign companies at the time of each purchase. The fund invests in value equity securities, with an investment strategy that emphasizes buying equity securities that appear to be undervalued.
- (f) The investment seeks to invest in a well-diversified real estate portfolio that reflects the overall performance of the U.S. commercial real estate market and to provide clients with private real estate returns that, over a market cycle, meet or exceed the NFI-ODCE Equal Weight at the portfolio level.
- (g) The investment seeks to provide a high level of current income consistent with the stability of principal by investing primarily in corporate fixed income securities that are deemed to be investment-grade.
- (h) The investment option is primarily invested in long duration corporate bonds, Treasury bonds, agency debentures and zero coupon bonds (STRIPs) and other traditional fixed income instruments predominantly denominated in U.S. dollars.

There were no unfunded commitments that existed at December 31, 2016 for any of the investments recorded at NAV.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
December 31, 2016 and 2015

The Pension Plan also holds \$29,347 and \$1,061,025 in accrued interest, cash and cash equivalents at December 31, 2016 and 2015, respectively.

The Pension Plan is funded annually by making a contribution of at least the minimum amounts required by applicable regulations and as recommended by BloodCenter's actuary. Cash contributions in subsequent years will depend on a number of factors, including the performance of Pension Plan assets. The Company expects to contribute \$1,600,000 to the Plan during the year ending December 31, 2017.

The following represents expected benefit payments for the Pension Plan for the periods shown:

Years ending December 31,

2017	\$ 1,514,926
2018	1,658,082
2019	1,783,395
2020	1,912,372
2021	2,047,269
2022 - 2026	12,017,784

Defined Contribution Plans

BloodCenter maintains two section 403(b) plans. The matched plan covers those employees who meet the eligibility requirements of the plan. During the years ended December 31, 2016 and 2015, BloodCenter matched employee contributions to the plan based on 100% of the first 2% contributed, and 50% of the next 2% contributed, of each eligible employee's compensation. BloodCenter contributions of \$1,410,847 and \$1,404,063 were deposited for the years ended December 31, 2016 and 2015, respectively.

BloodCenter also sponsors a 403(b) non-contributory defined contribution plan that covers substantially all full-time employees of BloodCenter. BloodCenter may contribute up to 5% of eligible employees' wages based on the number of points an employee amassed as of December 31 of the plan year. This is funded by BloodCenter on an annual basis. BloodCenter contributions of \$2,114,414 and \$2,017,340 were deposited for the years ended December 31, 2016 and 2015, respectively.

BloodCenter offers a section 457(b) plan to highly compensated employees. The Plan allows participants to make contributions through payroll withholdings. Any amounts deferred by the participants are recorded in investments as an asset and in accrued expenses within the accompanying consolidated statements of financial position in equal amounts of \$3,905,285 and \$3,492,021 as of December 31, 2016 and 2015, respectively.

Versiti also offers a section 457(b) plan to highly compensated employees. The Plan allows participants to make contributions through payroll withholdings. Any amounts deferred by the participants are recorded in investments as an asset and in accrued expenses within the accompanying consolidated statements of financial position in equal amounts of \$95,564 and \$46,553 as of December 31, 2016 and 2015, respectively.

BloodCenter also maintains a long-term incentive plan (LTIP) covering a key employee. The LTIP is a cash lump-sum payment plan composed of pay credits accrued on paid base pay and bonuses, along with 7.0% interest on the balance. The amount accrued as of December 31, 2016 and 2015 is \$1,423,522 and \$1,348,580, respectively, which is included in accrued expenses on the accompanying consolidated statements of financial position. The lump-sum payment is payable to the employee when employment ceases. The employee ceased employment in February 2017 and the payment was made subsequent to year end.

Versiti, Inc. and Affiliates
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
December 31, 2016 and 2015

BloodCenter maintains a self-insured medical plan under which benefits are provided to employees and covered dependents. BloodCenter has purchased individual stop-loss insurance that covers health costs in excess of \$175,000 for each of the covered individuals. There is no maximum lifetime benefit limit under this insurance policy. The incurred but not reported liability for claims included in accrued expenses on the accompanying consolidated statements of financial position as of December 31, 2016 and 2015 was approximately \$530,000 and \$490,000, respectively. Total expense under this plan was approximately \$7,860,000 and \$5,188,000 for the years ended December 31, 2016 and 2015, respectively.

Heartland maintains a 401(k) defined contribution plan that permits employee and employer contributions. Heartland makes discretionary contributions to the plan, which amounted to 3% of qualifying salaries in 2016 and 2015. Heartland also provided for a match of 50% of the first 8% of wages contributed by the employee. For the years ended December 31, 2016 and 2015, Heartland recorded retirement plan contributions and paid administrative expenses totaling \$592,590 and \$703,032, respectively.

Heartland also has a 457(b) deferred compensation plan covering highly compensated employees. These participants may elect to have their compensation deferred based on salaries and bonuses, within limits set forth by the Internal Revenue Service. No contributions are made by Heartland. Any amounts deferred by the participants are recorded in investments as an asset and in accrued expenses within the accompanying consolidated statements of financial position in equal amounts of \$316,643 and \$393,150 as of December 31, 2016 and 2015, respectively.

Michigan maintains a 401(k) defined contribution plan. The plan covers all employees who meet age and service requirements. Plan contributions are made in the amount of a match of up to 4% of employee deferrals on the bi-weekly payroll and a discretionary match of up to 3% based on annual eligible compensation. Michigan recorded expense of \$401,626 and \$327,922 for the years ended December 31, 2016 and 2015, respectively, related to retirement plan contributions.

Michigan maintains a self-insured medical plan under which benefits are provided to employees and covered dependents. Michigan has purchased individual stop-loss insurance that covers health costs in excess of \$80,000 for each of the covered individuals. There is no maximum lifetime benefit limit under this insurance policy. The incurred but not reported liability for claims included in accrued expenses on the accompanying consolidated statements of financial position as of December 31, 2016 and 2015 was \$175,762 and \$185,684, respectively. Total expense under this plan was \$2,538,212 and \$2,113,282 for the years ended December 31, 2016 and 2015, respectively.

Indiana maintains a defined contribution money purchase and 401(k) plan providing retirement and death benefits for all of its employees who meet certain length of service and annual hours worked requirements. This plan allows salary redirection contributions by participants and a dollar-for-dollar employer match not to exceed 4% of compensation. The plan further provides for a 2% discretionary profit-sharing contribution to be made when Indiana achieves an operational margin of 0.25% or greater. Indiana recorded expense of \$604,284 and \$574,728 for the years ended December 31, 2016 and 2015, respectively, related to retirement plan contributions.

Indiana also has a 457(b) deferred compensation plan covering certain key employees. Indiana contributes the portion of the employees' retirement contribution that exceeds the defined contribution money purchase and 401(k) contribution limitations. Employees vest upon death, total disability or completion of minimum service requirement, as defined in the plan. Amounts are recorded in investments as an asset and in accrued expenses within the accompanying consolidated statements of financial position in equal amounts of \$154,007 and \$131,191 as of December 31, 2016 and 2015, respectively.

Versiti, Inc. and Affiliates
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
December 31, 2016 and 2015

Indiana maintains a shared-funded medical benefit plan to provide group medical, dental and vision coverage for substantially all employees. Costs of this plan are expensed as incurred. The benefits are coordinated by a third-party administrator and premiums are paid to an insurance company for coverage to limit Indiana's liability under the group medical portion of the plan to \$150,000 per year for each participant, and a \$1,000,000 maximum liability. The incurred but not reported liability for claims included in accrued expenses in the accompanying consolidated statements of financial position as of December 31, 2016 and 2015 was \$200,000 and \$250,000, respectively. The dental and vision portions of the plan are fully self-insured. Total expense under this plan was \$2,662,630 and \$3,075,995 for the years ended December 31, 2016 and 2015, respectively.

NOTE F - LONG-TERM DEBT

Long-term debt of BloodCenter and Michigan as of December 31, 2016 and 2015 consists of the following:

	<u>2016</u>	<u>2015</u>
BloodCenter		
Series 2009A Master Note to WHEFA, which collateralizes tax-exempt WHEFA Revenue Bonds, Series 1994A serial bonds, with a variable interest rate set monthly, based on the loan agreement (the rate was 1.6% and 2.3% at December 31, 2016 and 2015, respectively); maturities due annually through 2019	\$ 3,835,000	\$ 4,430,000
Michigan		
Note agreement with a bank, collateralized by substantially all of Michigan's assets, monthly principal and interest payments of \$54,100, which includes interest of 3.1%; maturities due monthly through 2019	<u>1,636,346</u>	<u>2,223,912</u>
	5,471,346	6,653,912
Less		
Deferred financing costs	(32,977)	(55,176)
Current maturities	<u>(1,289,194)</u>	<u>(1,132,970)</u>
	<u>\$ 4,149,175</u>	<u>\$ 5,465,766</u>

BloodCenter is subject to certain restrictions and covenants from agreements relating to the 2009A Master Note, the most restrictive of which relate to maintaining a specified debt service ratio, a minimum amount of net assets and a fixed charge ratio. BloodCenter is in compliance with these covenants as of December 31, 2016 and 2015. On June 1, 2016 a reset notice was signed. This notice provides for an interest rate equal to the sum of the LIBOR rate and a credit spread of 1.85%, multiplied by a tax equivalent rate of 66%, for the period from July 1, 2016 through June 1, 2019.

Michigan is subject to certain restrictive covenants related to the note agreement, such as maintaining a fixed charge coverage ratio. Michigan is in compliance with these covenants as of December 31, 2016 and 2015.

Versiti, Inc. and Affiliates
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
December 31, 2016 and 2015

BloodCenter has a letter of credit in favor of the Treasurer of the Wisconsin Unemployment Reserve Fund in the amount of \$548,254 that has been issued to satisfy state unemployment compensation requirements as of December 31, 2016 and 2015.

Indiana has a \$3,000,000 line of credit that expires on June 30, 2017. At December 31, 2016, there were no borrowings on the line. The line is collateralized by substantially all of Indiana's assets. Interest on the line of credit is variable and is stated at the daily LIBOR rate plus 2.25%.

Deferred Financing Costs

Deferred financing costs consist primarily of bank fees and legal costs incurred to issue bonds. Deferred financing costs are being amortized on a straight-line basis over the term of the related bonds, which is 30 years, and are recorded net of accumulated amortization of \$658,914 and \$636,715 as of December 31, 2016 and 2015, respectively. Amortization expense of \$22,199 and \$22,031 was recorded during the years ended December 31, 2016 and 2015, respectively.

Scheduled principal repayments on the long-term debt and future anticipated amortization expense from deferred financing costs as of December 31, 2016, are as follows:

<u>Years ending December 31,</u>	<u>Deferred Financing</u>		
	<u>Cost Amortization</u>		
	<u>Debt</u>	<u>Expense</u>	<u>Net</u>
2017	\$1,289,194	\$13,646	\$1,275,548
2018	1,320,834	13,646	1,307,188
2019	<u>2,861,318</u>	<u>5,685</u>	<u>2,855,633</u>
	<u>\$5,471,346</u>	<u>\$32,977</u>	<u>\$5,438,369</u>

NOTE G - NET ASSETS

Unrestricted

This portion of net assets is neither permanently nor temporarily restricted by donor-imposed stipulations or the passage of time.

Board-designated Endowment Funds

It is management's and corporate counsel's view that the applicable principles for categorization of the board-designated endowment fund should not be viewed as an indication that the donations made over time to the Foundation to ensure the continuing availability of funds for research purposes, including support of the operating costs of BloodCenter's research facilities, are available to the creditors of BloodCenter. Board-designated endowment funds for the Foundation totaled \$76,439,806 and \$71,801,518 as of December 31, 2016 and 2015, respectively.

The board-designated endowment fund for the Foundation includes amounts donated (and, in part, the earnings thereon) to assure the continuing availability of funds for research purposes and to support the

Versiti, Inc. and Affiliates
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
December 31, 2016 and 2015

operating expenses of the Blood Research Institute. While the donors designated the funds to the aforementioned purposes, they also allowed for the board of directors of BloodCenter and the Foundation to alter the designations by a 75% vote.

Temporarily Restricted

Temporarily restricted net assets are those net assets subject to donor-imposed stipulations that will be met by the actions of BloodCenter, the Foundation, Michigan, Heartland and Indiana and/or the passage of time. As of December 31, 2016 and 2015, temporarily restricted net assets of \$1,767,959 and \$1,284,388, respectively, were purpose-restricted, with the remaining balance of temporarily restricted net assets being time restricted. During the years ended December 31, 2016 and 2015, Versiti released \$752,345 and \$333,339, respectively, of net assets from restriction when time or purpose restrictions were fulfilled.

Permanently Restricted

Permanently restricted net assets as of December 31, 2015 include \$600,000 of funds received from the Walter Schroeder Fund. These funds were reclassified to unrestricted net assets during 2016. Permanently restricted net assets as of December 31, 2016 and 2015 also include \$10,150 of funds received from Michigan Community Blood Centers Foundation, the income of which is unrestricted. Permanently restricted net assets as of December 31, 2016 and 2015, include \$60,267 and \$60,217, respectively, of Indiana funds restricted to investment in perpetuity, the income of which is expendable to support any activity of Indiana.

Endowment Net Assets

The Organization's endowment includes several individual endowment funds established for a variety of purposes, including both a donor-restricted endowment fund and funds designated by BloodCenter's board of directors to function as endowments. Net assets associated with endowment funds, including funds designated to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Organization has interpreted the Wisconsin Uniform Prudent Management of Institutional Funds Act (WUPMIFA) adopted and enacted by the Wisconsin legislature on August 4, 2009, as requiring consideration of prudent expenditure standards prior to authorizing disbursements. As a result of this interpretation, the Organization classifies as permanently restricted net assets: (1) the original value of gifts donated to the permanent endowment, (2) the original value of subsequent gifts donated to the permanent endowment and (3) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by the state of Wisconsin in its enacted version of WUPMIFA. In accordance with WUPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the endowment funds, (2) the purposes of the Organization and the donor-restricted endowment fund, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization and (7) the investment policy of the Organization.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Organization to retain as a fund of perpetual duration. There were no deficiencies of this nature reported for the years ended December 31, 2016 and 2015.

Versiti, Inc. and Affiliates
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
December 31, 2016 and 2015

The Organization invests its board-designated endowment funds and permanently restricted funds prudently with the goal of providing a long-term rate of return in excess of inflation. Objectives of the Organization's investment policy include providing adequate liquidity, maximizing returns on all funds invested and achieving full employment of all available funds as earning assets. The Organization has an active Investment and Finance Committee that meets regularly to ensure the objectives of the investment policy are being met, and the strategies used to meet the objectives are in accordance with the investment policy.

The Organization has a policy of appropriating for distribution each year 5.5% of their endowment fund's average fair value over the prior five years in which the distribution is planned. Additional appropriations are allowed at the discretion of the board of directors. In establishing this policy, the Organization considers the long-term expected return on their endowment. Accordingly, over the long term, the Organization expects the current spending policy to allow their endowment to grow at an average of 5.5%. This is consistent with the Organization's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term, as well as to provide additional real growth through new gifts and investment return. Actual returns in any given year may vary from this expectation. In accordance with WUPMIFA, the Organization's policy for appropriating for distribution is suspended when the fair value of assets associated with individual donor-restricted endowment funds falls below the level required by the donor or WUPMIFA.

The following schedules reflect the Organization's endowment net asset composition and activity as of and for the years ended December 31:

	2016			
	Unrestricted	Temporarily restricted	Permanently restricted	Total
Board-designated endowment funds	\$76,439,806	\$ -	\$ -	\$76,439,806

Total expenses	<u>\$283,165,194</u>	<u>\$281,546,901</u>

NOTE I - LEASE EXPENSES

The Organization leases office space, equipment and vehicles under various operating leases. The terms of the leases include various escalation clauses. Future minimum lease payments are as follows as of December 31, 2016:

Years ending December 31,

2017	\$1,879,957
2018	1,364,753
2019	970,909
2020	569,201
2021	262,133
Thereafter	<u>103,011</u>
	<u>\$5,149,964</u>

Total rent expense for leases was \$2,370,571 and \$2,614,867 during the years ended December 31, 2016 and 2015, respectively. During 2014, Indiana closed its north hub operations. Upon this closure, Indiana recorded a liability, which represents the estimated fair value of the costs that will continue to be incurred under the remaining lease of this facility, net of sublease income. The liability was \$266,065 and \$317,773 as of December 31, 2016 and 2015, respectively.

Versiti, Inc. and Affiliates
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
December 31, 2016 and 2015

NOTE J - LEASE REVENUE

BloodCenter leased office space on a month-to-month basis to a 501(c)(3) organization that shared the BloodCenter's charitable mission. This lease was recorded as an operating lease and was classified as other income on the accompanying consolidated statements of activities. Lease revenue was \$30,000 for the years ended December 31, 2016 and 2015. As of December 31, 2016, there are no future minimum lease rentals obligated to BloodCenter.

NOTE K - RELATED PARTIES

Certain members of the Organization's board of directors are employed by or serve on boards of directors of various health care organizations or service companies with which the Organization does business. Sales to related parties totaled \$55,888,446 and \$54,640,754 for the years ended December 31, 2016 and 2015, respectively. Receivables from related parties totaled \$6,360,920 and \$6,993,837 at December 31, 2016 and 2015, respectively.

Contributions from board of director's members totaled \$761,931 and \$34,253 for the years ended December 31, 2016 and 2015, respectively. Contributions receivable from these related parties totaled \$357,250 and \$-0- at December 31, 2016 and 2015, respectively.

NOTE L - COMMITMENTS AND CONTINGENCIES

In 2011, BloodCenter received \$2,528,016 from the National Institutes of Health to complete the build-out of its research facilities. Per the grant agreement, this building is to be used for approved research activities for a period of 10 years after occupancy of the building. During 2016 and 2015, the building was being used for research activities in compliance with the grant agreement.

BloodCenter operates a hemophilia treatment center, the Comprehensive Center for Bleeding Disorders (CCBD), under a federal grant sub-award from the Health Resources and Services Administration - CFDA #93.110. The grant sub-award, passed through from Great Lakes Hemophilia Foundation, Inc., allows BloodCenter to participate in the 340B Drug Pricing Program (Program), a federal program administered by the U.S. Department of Health and Human Services. During the years ended December 31, 2016 and 2015, BloodCenter earned Program-related revenue (Program Income) of approximately \$13,803,000 and \$14,025,000, respectively. Program Income generated under the grant is restricted in accordance with the terms and conditions of the grant, and the use of such funds is limited to patient care, education and supportive services necessary to provide comprehensive care to CCBD patients. During the years ended December 31, 2016 and 2015, BloodCenter expended approximately \$13,047,000 and \$12,923,000, respectively, on expenses related to the sale of pharmaceutical product and uses of residual Program Income for operations of CCBD that comply with the restrictions on Program Income in accordance with the grant agreement. As of December 31, 2016 and 2015, BloodCenter maintains approximately \$15,729,000 and \$14,973,000, respectively, of cumulative Program Income in cash and cash equivalents and investments on the accompanying consolidated statements of financial position that is restricted, as described above.

Versiti entered into an agreement effective as of January 1, 2016 with Terumo BCT, Inc. (Terumo). The agreement requires Versiti to purchase a certain percentage of their platelet and dRBC kits from Terumo. The

Versiti, Inc. and Affiliates
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
December 31, 2016 and 2015

agreement holds Versiti liable for \$2,000,000 to be evenly recognized for the duration of the 7 year agreement. If the purchase requirements are not met in accordance with the agreement, a penalty payment is due to Terumo from Versiti equal to 14% of the \$2,000,000. If Versiti meets the purchase requirements during a given year, Versiti receives a rebate equal to the same 14%. At December 31, 2016, the outstanding short-term liability recorded as an accrued expense of \$285,700 within the accompanying consolidated statement of financial position. At December 31, 2016, the outstanding long-term liability is \$1,428,600 and is recorded within the other long-term liabilities line of the accompanying consolidated statement of financial position.

The Organization is engaged in various matters of litigation in the ordinary course of business. Amounts are established by management to cover estimated losses and related expenses associated with these matters if they become probable and reasonably estimated. It is the opinion of management that the ultimate resolution of these matters will not have a material effect on the Organization's consolidated financial position or results of operations.

NOTE M - FUND TRANSFERS (FORMULA TRANSFER ADJUSTMENT)

For the years ended December 31, 2016 and 2015, the Foundation operating fund was entitled to receive from the Foundation board-designated endowment fund 5.5% of the total number of units of participation in the Foundation board-designated endowment fund multiplied by the average annual market value per unit of the Foundation board-designated endowment fund as of the end of the preceding 20 calendar quarters.

For the years ended December 31, 2016 and 2015, \$3,800,429 and \$3,416,163, respectively, was transferred from the Foundation board-designated and donor-restricted endowment fund to the Foundation operating fund. The transactions were in accordance with the above-described formula.

NOTE N - LICENSING OF INTELLECTUAL PROPERTY RIGHTS

License revenue is derived by the Foundation from licensing of intellectual property rights owned by the Foundation. Patent and license expenses, which are expensed as incurred, include direct costs associated with the acquisition of such rights, as well as the portion of the net revenue (gross revenue less direct acquisition costs) allocable to the research investigator. The net revenue is allocated to the various funds and the research investigators based on formal policies adopted by the board of directors.

NOTE O - SUBSEQUENT EVENTS

The Organization evaluated its December 31, 2016 consolidated financial statements for subsequent events through April 6, 2017, the date the consolidated financial statements were available to be issued. Apart from the payout of the long-term incentive plan for a key employee discussed in Note E, the Organization is not aware of any subsequent events that would require recognition or disclosure in the consolidated financial statements.

Versiti, Inc. and Affiliates
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
December 31, 2016

NOTE A - SCOPE OF AUDIT PURSUANT TO UNIFORM GRANT GUIDANCE

All federal grant activities of Versiti, Inc. (Versiti) are included in the scope of the Uniform Grant Guidance. The Single Audit was performed in accordance with the provisions of the Uniform Grant Guidance. The Department of Health and Human Services has been designated as Versiti's oversight agency.

Versiti utilizes approved indirect costs rates and does not elect to use the 10% de minimis cost rate as covered in 2 CFR 200.414, *Indirect (F&A) costs*.

NOTE B - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards is presented on the accrual basis of accounting. Grant revenue is recorded for financial reporting purposes when Versiti has met the qualifications for the respective grants.

NOTE C - AUDITS PERFORMED BY OTHER ORGANIZATIONS

There were no audits performed by other organizations of Versiti's federal grant programs for the year ended December 31, 2016.

NOTE D - CONTINGENCY

All federal awards are subject to review and audit by grantor agencies. Such audits could lead to requests for reimbursement by the grantor agencies for costs disallowed under the terms of the awards. It is the opinion of management that all costs charged against federal awards are allowable under the regulations of those programs.

NOTE E - PROGRAM INCOME

Versiti operates a hemophilia treatment center, the Comprehensive Center for Bleeding Disorders (CCBD), under a federal grant sub-award from the Health Resources and Services Administration - CFDA #93.110. The grant sub-award, passed through from Great Lakes Hemophilia Foundation, Inc., allows Versiti to participate in the 340B Drug Pricing Program (Program), a federal program administered by the U.S. Department of Health and Human Services. During the year ended December 31, 2016, Versiti earned Program-related revenue (Program Income) of \$13,803,000. Program Income generated under the grant is restricted in accordance with the terms and conditions of the grant and the use of such funds is limited to patient care, education and supportive services necessary to provide comprehensive care to CCBD patients. During the year ended December 31, 2016, Versiti expended \$13,047,000 on expenses related to the sale of pharmaceutical product and uses of residual Program Income for operations of CCBD that comply with the restrictions on Program Income in accordance with the grant agreement. As of December 31, 2016, Versiti

Versiti, Inc. and Affiliates

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS - CONTINUED

December 31, 2016

maintains approximately \$15,729,000 of cumulative Program Income in cash and cash equivalents and investments on the consolidated statements of financial position that is restricted, as described above.

Board of Directors
Versiti, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Versiti, Inc. (a non-stock, not-for-profit Wisconsin corporation) and affiliates (collectively, the “Entity”), which comprise the consolidated statement of financial position as of December 31, 2016, and the related consolidated statements of activities and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated April 6, 2017.

Internal control over financial reporting

In planning and performing our audit of the consolidated financial statements, we considered the Entity’s internal control over financial reporting (“internal control”) to design audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we do not express an opinion on the effectiveness of the Entity’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Entity’s consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be

material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in the Entity's internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and other matters

As part of obtaining reasonable assurance about whether the Entity's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Intended purpose

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Entity's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

Board of Directors
Versiti, Inc.

Report on compliance for each major federal program

We have audited the compliance of Versiti, Inc. (a non-stock, not-for-profit Wisconsin corporation) and affiliates (collectively, the “Entity”) with the types of compliance requirements described in the U.S. Office of Management and Budget’s *OMB Compliance Supplement* that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2016. The Entity’s major federal programs are identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs.

Management’s responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to the Entity’s federal programs.

Auditor’s responsibility

Our responsibility is to express an opinion on compliance for each of the Entity’s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Entity’s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Entity’s compliance.

Opinion on each major federal program

In our opinion, the Entity complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2016.

Report on internal control over compliance

Management of the Entity is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Entity's internal control over compliance with the types of compliance requirements that could have a direct and material effect on each major federal program to design audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Entity's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in the Entity's internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this Report on Internal Control Over Compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
