

BLOOD SERVICES UPDATE

December 27, 2018

Changes in Reference Lab Tag

The new Reference Lab Tag, effective on Nov 24, 2015 on antigen-typed red blood cell units identifies the confirmed negative antigens. The antigens that the unit is determined to be negative for are clearly circled on the tag.

Please contact Kasia Bielen, Manager, Immunohematology Reference Laboratory at (317) 916-5035 (Kbielen@versiti.org) or the lab at (317) 916-5188 (reflab@versiti.org) with any questions regarding this update.

Thank you for your continued support of Versiti Indiana, Inc.
