

**19<sup>th</sup> Annual Immunology Symposium**  
**“Tissue-Resident Leukocytes: There's No Place Like Home”**  
**Versiti Blood Research Institute**

| <b>Time</b>         | <b>Activity</b>                                                                                                                   |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| 8:00 am – 8:45 am   | <b>Registration, Breakfast, &amp; Networking</b><br>VBRI Foyer                                                                    |
| 8:45 am – 9:00 am   | <b>Opening Remarks</b><br>Chris Miskel, MBA<br>Jorge Di Paola, MD<br>Nicholas Jarjour, PhD                                        |
| 9:00 am – 10:00 am  | <b>Tissue reservoirs for immune memory in humans</b><br>Donna Farber, PhD<br>Keynote Speaker, sponsored by BioLegend from Revvity |
| 10:00 am – 10:15 am | <b>Break</b>                                                                                                                      |
| 10:15 am – 11:15 am | <b>Running in place: maintenance and renewal of tissue-resident immunity</b><br>Nicholas Jarjour, PhD                             |
| 11:15 am – 12:15 pm | <b>Establishment of lung tissue-resident memory B cells</b><br>Brian Laidlaw, PhD                                                 |
| 12:15 pm – 1:15 pm  | <b>Lunch &amp; Networking</b><br>VBRI Common Area<br>Lunch presentation by Waters Biosciences in Ziegler A                        |
| 1:15 pm – 2:15 pm   | <b>Neuroimmune circuits in allergic immunity</b><br>Caroline Sokol, MD, PhD                                                       |
| 2:15 pm – 3:15 pm   | <b>Neuronal control of cutaneous immunity</b><br>Daniel Kaplan, MD, PhD                                                           |
| 3:15 pm – 3:30 pm   | <b>Break</b>                                                                                                                      |
| 3:30 pm – 4:30 pm   | <b>How immune cells handle their lipids: cholesterol trafficking in immunity, inflammation, and metabolism</b><br>Yajing Gao, PhD |
| 4:30 pm – 4:35 pm   | <b>Closing Remarks</b><br>Bonnie Dittel, PhD                                                                                      |
| 4:35 pm – 5:00 pm   | <b>Reception</b><br>VBRI Common Area                                                                                              |
